1303– Field Error Summary Report

The Field Error Summary Report provides statistics about errors found in the selected group of claims. It provides the same set of statistics as the Claim Error Detail Report, but does not list the individual claims in which each error occurred.

July 11, CCYY 12:54:40AM — **FIELD ERROR SUMMARY REPORT** — PAGE NO. 1 / CLIENT 9999 / USERID bhyde

FIELD NAME	ERROR COUNT	% OF FIELD	% OF TOTAL
	1	100.00	10.53
