7010 Electronic Carrier Master Report – ECARMAST

This long report provides the complete alphabetical list of every carrier to which we send claims.

- **LOB** – The LOB that must be in SOP and TP_SOP
- **Type** – All, O=Out, I=In
- **NEIC** – Shows the LOB's NEIC status
- **EMast** – The editmaster's long name
- **DName** – (was HistDir) Clearinghouse name for the editmaster
- **CPID** – The internal clearinghouse ID for the Payer/LOB
- **Form** – Shows which form uses the editmaster
- **PayerID** –
- **NHPID (Future)** – The National Health Plan ID - the payer equivalent of the provider NPI.
- **T/L** – The Test/Live status for the LOB. Only Live LOBs will accept claims.
- **A/L** – The ANSI/Legacy status for the Patient Relationship Code. If this code is A, the product will convert a legacy code to the correct ANSI code.
