1835 – User Activity Remit Audit Report

This report lists remits that have been acted upon by the selected users and what was done each time.

- The report is requested from the *Management* list in *Create Reports*.
- It uses a modified filter in which you set a time period, select users, and select the action or actions that should be on the report.
- USER NAME is the name of the user who performed the reported action.
- DATE and TIME shows when the action was performed.
- ACTION shows what happened to the remit. Because remits can't be changed, the action will usually be *View*.
- This report is available in PDF and Delimited formats.
