ADR MANAGEMENT - 1850

The **ADR (Additional Development Request) Management** report lists claims with an ADR and the associated ADR Reasons, Original ADR Date, ADR Receipt Date, and ADR Due Date. This Direct Entry report can be run manually or set up to run in an auto module. Filter for reason codes S39700 and S39701 to find claims with ADRs. *This report is also available in delimited format for import into an external program. (Click CSV in Create Reports.)*
